Mrs. Barbara Canady

Barbara Canady graduated from Sparks High School in June, 1948. Shortly thereafter, she went to work for the old Sparks School District (which became the Washoe County School District in July, 1956). Barbara worked for several years and then left to have her family. Later, when her children were of school age, she returned to her secretarial job here at Sparks High.

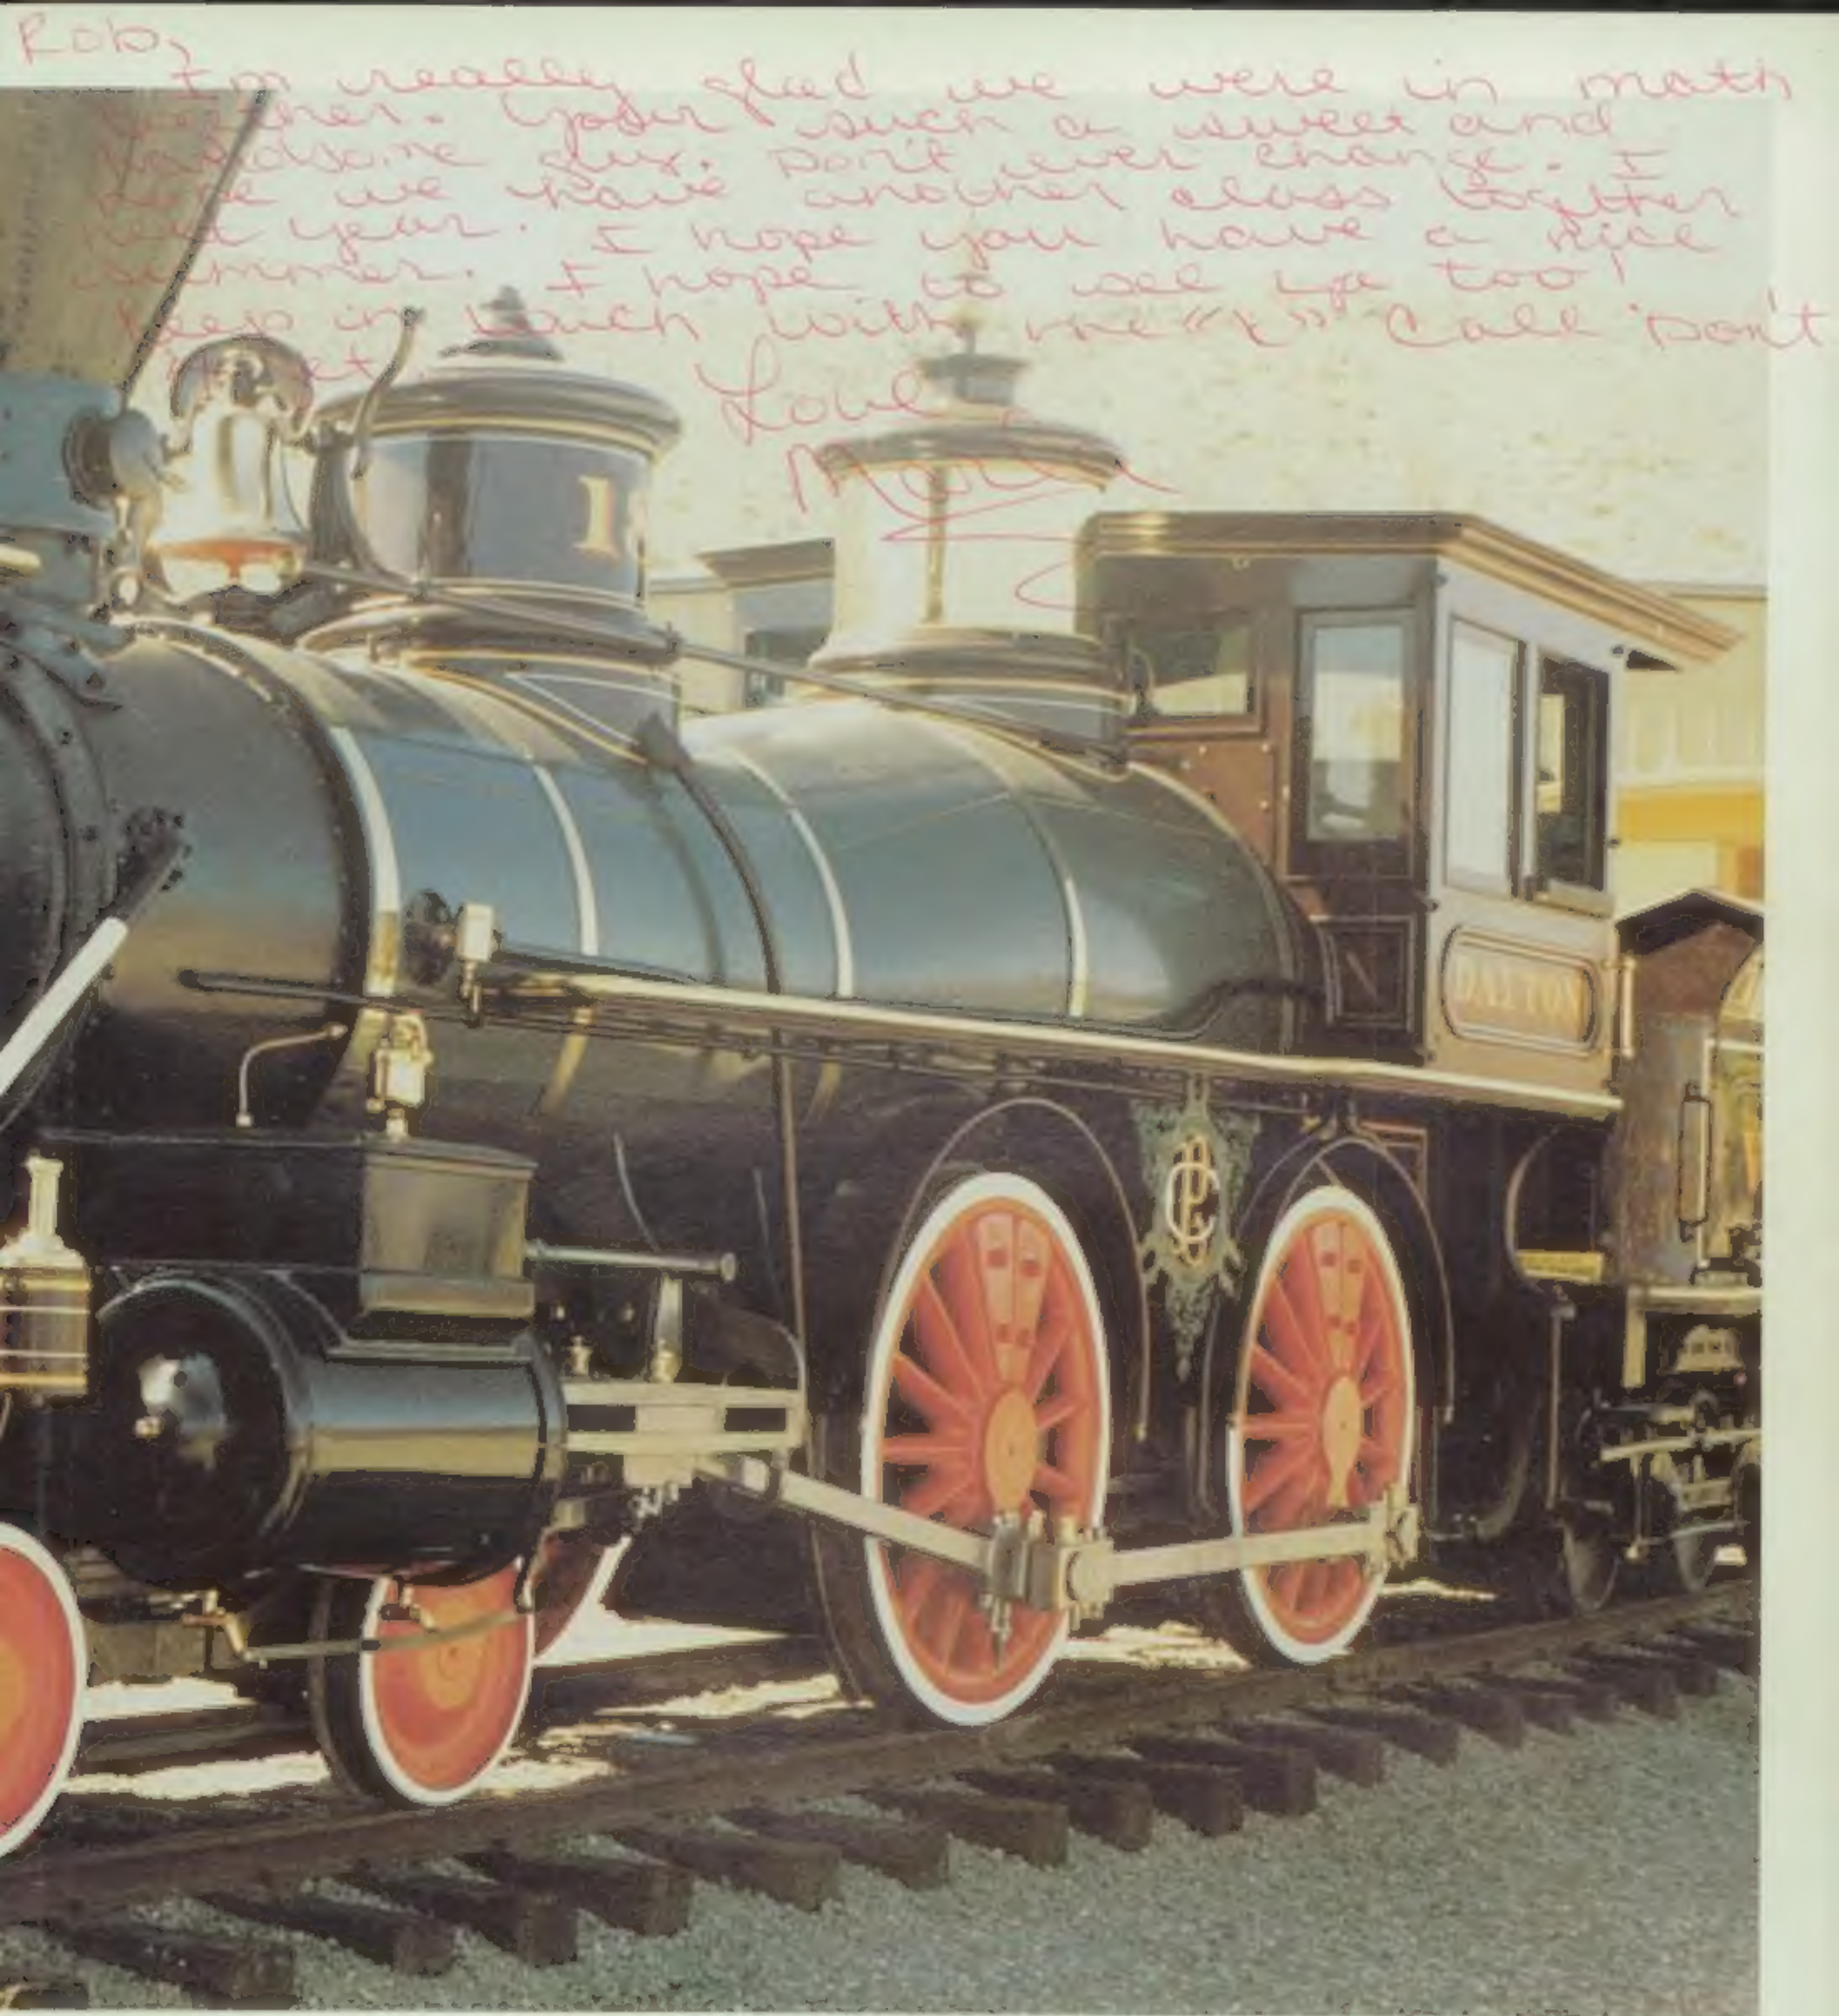

Barbara was secretary to five Sparks High principals: Mr. Hug, Mr. Whitehead, Mr. Singleton, Mr. Anderson, and myself. She saw our school enrollment grow from two hundred to over nineteen hundred. Barbara was knowledgeable and capable and, when necessary, could perform any secretarial duty at our school. This knowledge came about due to the fact that she was the only secretary responsible for all the duties when she first started. She also kept a record of each graduating senior's credits, counseling many, which resulted in their graduation.

On February 15, 1985, Mrs. Canady completed thirty years at Sparks High School and retired. She will be missed but not forgotten.

Stowaway on a trip through Railroader country

There have been many faces coming in and out of Sparks High. Most of them not wanting to go but willing to make the sacrifice of going on. Sparks High is a place where one can learn new things everyday. We invite you to let us take you away on a journey beyond your hopes in the wonderful life of Sparks High.

This time girls ask boys

May 17, 1984 was the night for the guys to ask the girls to dance. The guys showed their girlfriends their love letters and then men to dance settees and dinner then escorted them to the dance held in our school cafeteria. Our music was played by the band **Bob Principi, Mr. Fockler and Mr. Eliades** took turns being the Master of Ceremonies. The girls passed out the perfect marriage license and the girls gave the guys a plastic wedding ring to each bride and groom.

The girls who were chosen for our Sweetheart King and Queen were **Mike Dufur** and **Tiffany Annand**.

Brad Carmull stars as Charley in Flowers For Algernon

The play "Flowers For Algernon" by Daniel Keyes, directed by Mr. Cahill, was performed by the students of the drama club. The play tells the story of a boy named Charlie who becomes a genius after an operation. The students were very talented and did a great job of bringing the story to life.

The play was performed in the gymnasium and was a great success. The students received many compliments for their performance. The play was a great learning experience for all of the students involved.

Queen elected, her subjects rejoice

Football Homecoming was a busy week of excitement and celebration. It all started with pageantry and enthusiasm. The week of activities culminated in a homecoming assembly was held. The first activity was the game. The school had a great turnout of loyal fans. Through the course of the night many things took place. The floats paraded around the field. The drill team performed with the help of the band. Before ceremonies began. Of course, the most important part of the night, naming of the queen. Karen Corbridge was chosen by the students to be the 1984 Football Homecoming Queen. As a result of the numerous activities throughout the week, the spirit of each activity everyone had a terrific and fun filled week of enjoyment.

White beats up on golden girls

Sparks High's 1984 Football Powder Puff was an overwhelming victory for the white team. They defeated the gold team with a score of 27-6. Coaches for the white team, **Ron Rasmussen** and **Luis Flores**, plotted a dynamite offense, as coaches for the gold team, **Marko Pinto**, **Kevin Leach** and **Jeff Montelatici** tried to counter with defensive trickery of their own. The teams were a little bit too psyched up, as they were for the blood and revenge!!

Our songleaders and cheerleaders kept the crowd amused throughout the game. During half time, the drill team performed leading up to the moment we were all waiting for. The envelope, please . . . and the winner was, the outrageous **Mike Finby!!**

Sparks High at its finest

Mrs. Mary Fox led a committee which organized the most widely attended open house in recent history. This year's open house had a wide range of activities such as the drill team performing, chorus singing, leather being tooled, art designing, pottery in progress, making of a literary magazine, and taking aim at the rifle range. The students took their parents around to the classes in which they demonstrated their unique qualities of artistic work. Mrs. Bergmann, drill team advisor, handed out door prizes, and yearbooks were displayed from previous years ranging from the 30's through the 80's. It was a family affair.

Banshee cries out in this Sparks' play

The 1984 fall play, *Cry of the Banshee*, was a production of Tim Kelly's play by the Junior Masquers of Sparks High School. It was a horror drama based on a family curse that recurred every 100 years. The family pulled through it with a lot of understanding and love.

San Dee Day played Mrs. Whitman, the mother of both Sean, **Keith Crowningshield**, and Maureen **Susanna Sombrano**. Maureen's boyfriend, Roderick, played by **Gene Woods**, started out as the stable groom and became the banshee when the curse came into effect. Dr. Hessler, the parapsychologist played by **Charles McCall**, tried to solve the riddle of the curse with a scientific method. He was aided by Detective Griffith, **Mike Finby**, with his unique capabilities and mindboggling ways to solve the curse.

SHS jams to popular tunes

This year's **Rock Show** was put on by our Junior Masquers as a fund-raiser. They had a pretty good turnout the first day over 300 students showed up. The rock show was from December 10th through the 14th. They charged a \$1.00 at the door. The rock show featured a wide range of rock groups such as: Velvet Underground, and many more. The rock show was held in a very low little theater, with students playing lyrics and acting out the parts of their popular groups.

- 1 Troy Faddis does his spectacular hurdle in thin air. If only Mr. Melody, track coach, could see that.
- 2 Scott Anderson and Jeremy Gunther as Van Halen.

Intermurals in action

This year's intermural event was organized by Mr. Martin. The regular football team played a series of games, as did the basketball team, the hockey society, and the chess players, and the 3-C team. It was the sixth annual intermural. There were seven local games for winners, winning the best two out of three.

Activities: SHS style

This year's oddball activities featured anything from broken windows to breaking into cars to putting out fires. Around when lunch time comes everyone leaves to get some chow. The others are left behind to hang out at their cars or skateboard in front of the school, but most of all being mischievous. The memories we relish will never end here at Sparks High.

Homecoming is alive in "85"

Sparks had yet another great Basketball Homecoming this year. Throughout the week the students showed a lot of spirit dressing up for such days as Swear day, Baby day, Pajama day, Class day, and Toga day. This year's hall decorating was won by the junior class. The junior's hall was covered with colorful posters and balloons. This year's Basketball Homecoming Queen candidates were **Gilian Jones, Tammy Mooney, Karen Formen, Michelle Hardy, and Suzette Stewart.** "The assembly was the best I've seen in fifteen years," said **Rita Smith.** Both the Varsity teams won their games, the girls won 54 to 32 and the boys won 65 to 59.

Homecoming bash is a blast

Basketball Homecoming this year had 5 queen candidates, Suzette Stewart, Gillian Jones, Karen Forman, Tommy Mooney, and Michelle Hardie. The winner of this year's homecoming was Suzette Stewart, escorted by Jeff Maciel. Halftime was filled with performances by the songleaders and drillteam. The songleaders performed to Jungle Love by The Time and the drillteam to Egyptian Lover. It was an exciting night for Sparks High School because the varsity team won 65 to 59 against Douglas. After the game everyone enjoyed themselves at the dance with music provided by, Bob Prinapi, the disc jockey from K-HITS.

KOZZ rocks over Faculty

KOZZ Thunderbirds went head on against S.H.S. faculty in a fund raiser for Sparks High's track team. The event raised \$400.00 for the track team and ended in **Coach Melody**. This event was held on the 13th of March at 7:30 p.m. in our large gym, tickets sold for a dollar. The S.H.S. faculty was coached by our very own **Coach Wayne Barker**. Our team consisted of eight players. Mr. Peraldo, forward, Mr. Hastings guard, Mr. Furman, forward, Mr. Wilson center, Mr. Olivero swingman, Mr. Melody, swingman, Mr. Cahill, forward, and Mr. Geyer forward. The evening ended by KOZZ winning over our S.H.S. faculty by twenty points.

My favorite person is my best friend, who is always there for me. We have been friends since we were in middle school, and I couldn't imagine life without her. She is the most supportive and kind person I know, and she always makes me feel like I can do anything. I love her so much, and I am so lucky to have her as a friend.

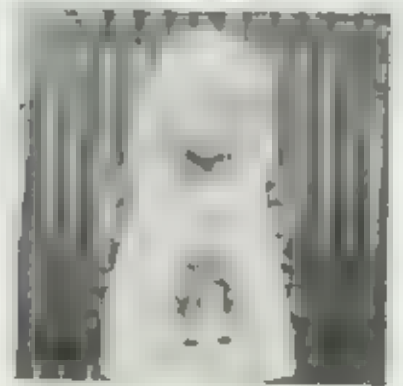

My favorite place is the beach. I love the sound of the waves, the sand, and the sun. It's a great place to relax and enjoy nature. I also love the feeling of being free and carefree. The beach is a special place to me, and I always look forward to going back.

My favorite food is pizza. I love the combination of the crust, the sauce, and the toppings. It's a delicious and comforting food that I can eat anytime. I also love the feeling of sharing a pizza with friends and family. Pizza is definitely one of my favorite foods, and I always look forward to eating it.

My favorite movie is The Avengers. I love the action, the special effects, and the characters. It's a great movie that I can watch over and over again. I also love the feeling of being part of a team and fighting for the world. The Avengers is a movie that I can't stop watching, and it's one of my favorites.

My favorite book is The Hobbit. I love the story, the characters, and the world. It's a great book that I can read anytime. I also love the feeling of being part of a journey and discovering new things. The Hobbit is a book that I can't stop reading, and it's one of my favorites.

My favorite sport is basketball. I love the game, the teamwork, and the competition. It's a great sport that I can play anytime. I also love the feeling of being part of a team and working together to win. Basketball is a sport that I can't stop playing, and it's one of my favorites.

My favorite season is summer. I love the warm weather, the long days, and the vacation. It's a great time to relax and enjoy life. I also love the feeling of being free and carefree. Summer is a season that I can't stop loving, and it's one of my favorites.

Office students work vigorously all day

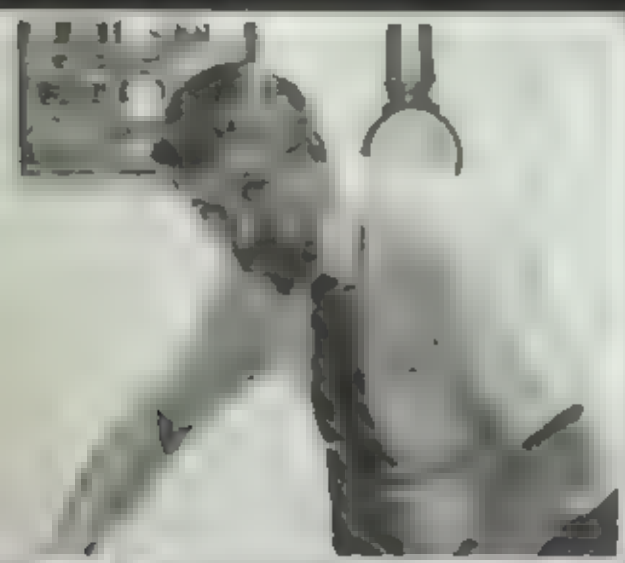

Office students get their work done all semester. Two or three of them work in the office all day. They are offered six periods a day. Their responsibilities are running off tests, making messages, answering the phone and working on the front desk. Sometimes they type letters. So busy are the office students, the secretaries get a little part of their work shifted to their shoulders.

History students work vigorously all period long.

History students work vigorously all period long. History is a subject that is often overlooked in schools. Students like history because they learn things that are not in their textbooks. The classes they learn are world history, U.S. history, and American government. They learn about the past and how it affects the future. But there are some students who like history for a different reason. They like to learn about the lives of the people who lived in the past.

Business students use their brains and fingertips.

Business classes are offered six periods out of the day by ten different teachers. Business classes consist of typing, computer science, business, math, and office experience. In general, they get you prepared for the real world. All business classes are half a credit a semester and are offered in the fall and spring semester. Business classes are some what optional and are not required, but are good experience.

Foreign language students have time to guff off too

Foreign language is a class in which one learns cultures and attitudes of different countries. It can prove to be a very rewarding class for those interested in traveling. There are three languages offered at S.H.S. which are Spanish, French and German. Some colleges require that you have at least two years of foreign language to be admitted. Also many colleges require that you know two languages. These classes are offered by a variety of teachers each period of the day.

Students take math classes with seriousness

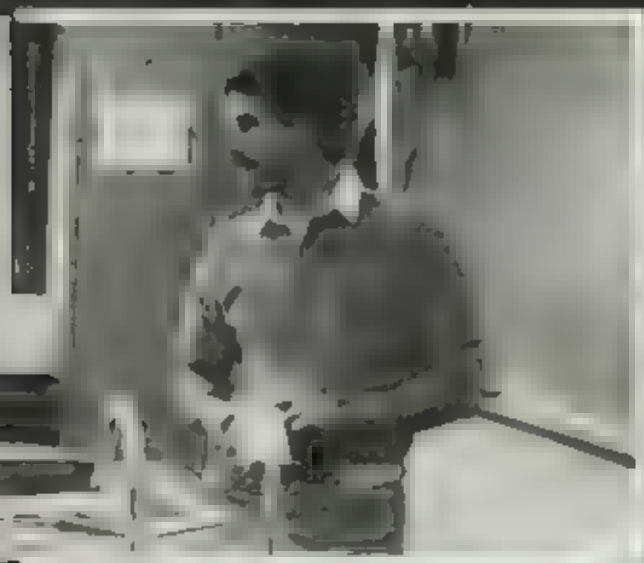

Math is a subject that is often considered boring and difficult. However, many students are taking math classes with a serious attitude. They are not just going through the motions, but are actually trying to understand the concepts. This is a good thing, because math is a fundamental part of many careers. Students who take math seriously are more likely to succeed in their future careers. They are also more likely to be able to solve problems and make decisions. Math is a skill that is essential for many jobs, and students who take it seriously are giving themselves a great advantage.

Science students mix all the right solutions

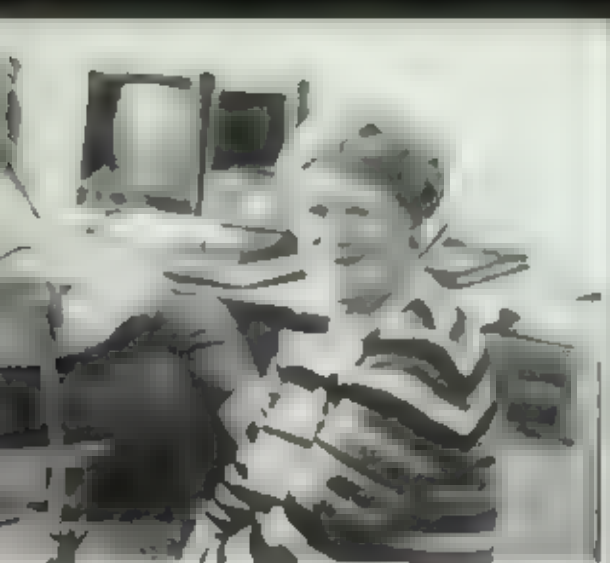

Students get to mix and match their own interests. There are many different types of science courses to choose from. We have earth science, life science, chemistry, physics, and more. Many students are the kind of science that they can't live without. They are interested in the science that is in the world around them. They are interested in the science that is in the world around them. They are interested in the science that is in the world around them.

physical education students work out their bodies

Physical education is a required course for all students. Students are required to take physical education for one semester. High school students are required to take physical education for one semester. Each physical education teacher has a different approach to teaching. They are required to teach 14 to 18 lessons. Physical education includes volleyball, football, and wrestling.

Player losses hurt junior varsity team

The junior varsity team has suffered a significant loss of players, which has hurt their performance. The team is currently struggling to maintain its level of play without the key players who have departed. The coach, Jeff Montefiore, has been forced to make adjustments to the lineup to compensate for the losses. The team is looking forward to a strong performance in the upcoming season.

Wrestlers successfully defend Northern AAA zone title

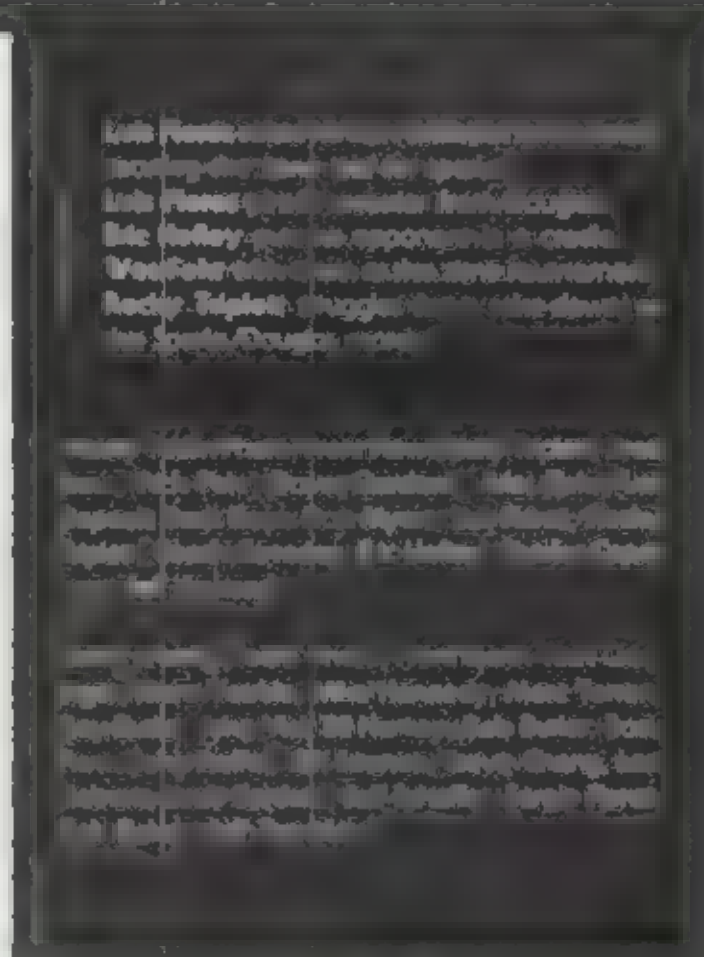

The Sports Wrestling Team was one for the second year straight and some of the best for many. The main reason for the team's great success was their dedication and their will to win. According to Coach Coverley:

and his brother Rick took second in the state. There were some other outstanding wrestlers too such as Charles Capehart, Brad Stout, Don Myers, Rocky Triplett and Eric Hefley. said Coach Coverley.

Luis Flores pinned Mark Zimmermann of McQueen High School to secure a zone tournament title for Sports. Wes Fehr took first place for his class.

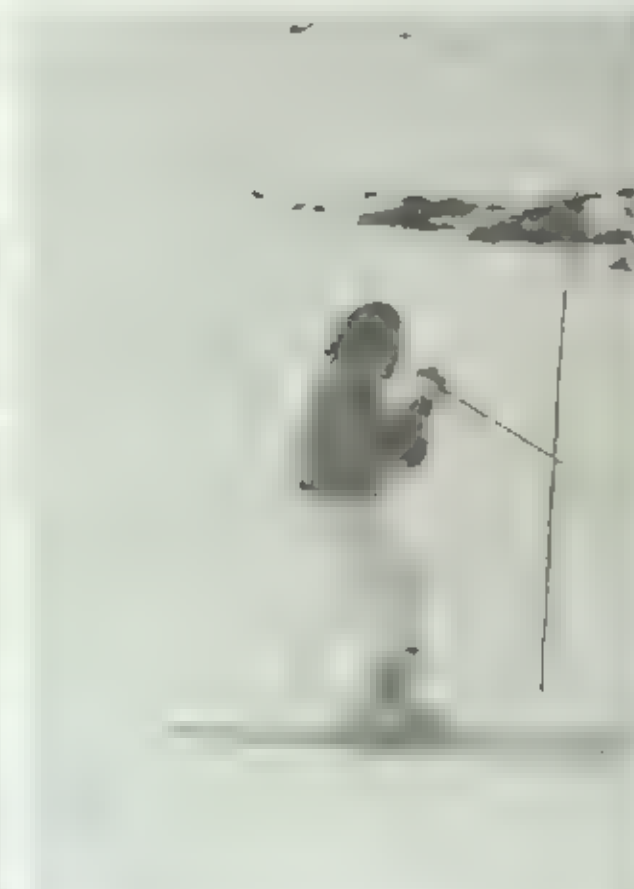

The winning team overall dual team record was ten and two for the year and the league record was six and one.

Terminus comes alive in '85"

This year's Yearbook Staff put in a number of long hours to produce, for the people here at Sparks High, an even better yearbook than previous years. The class, consisting of only 10 members, is very satisfied with the job they have done. **Mr. Gary Furman**, Advisor, says the class has accomplished a lot. They hope that all of you have enjoyed the 1985 Terminus.

Streamline strives for excellence

This year's Streamline staff worked extremely hard on getting out their monthly issues on time. This year's staff worked hard to meet each deadline and to keep the price of each issue at 50¢. Mrs. Olson (Streamline advisor) said she was very proud of this year's staff for putting out such a fine paper and for doing such a good job.

Drill Team gets crazy in '84

This year's Drill Team had a great year, starting out with 7 members, including **Amy Allen**, Leader, **Janey Meng**, 2nd Drill Leader, and **Anna Martin**. The remaining included **Sandy Grupczyski**, **Youvonne Swartz**, and juniors **Courtney Gann**, and **Stacy Duran**.

This year's Drill Team also got uniforms with help from the Club. They also see for being zany. **Mrs. Bergmann** (Drill Team Adv.) said this was the best and zaniest group ever.

Pep Club has another good year

The Pep Club has always worked hard on lifting the spirit at the games and assemblies. The Pep Club always shows up at the games with a lot of spirit and pep. They run the powder puff games and decorate the varsity players' rooms when Homecoming comes along. All and all Pep Club, is really important to the school.

Academic Team earns an "A"

The Academic Olympics is a club of several "sharp" individuals who participate in challenge meets against all other Washoe County schools.

Mr. Birmingham had been the coach ever since Sparks High started the club three years ago. **Mr. Birmingham** was alone for the first year, but the second year helped by **Mrs. Sill** and now the newest addition, **Mr. Norris**.

The idea of the matches is to see who can answer the most academic questions correctly. Each of the questions range from ten to fifty points a piece. The questions cover all subjects in high school, current events and miscellaneous.

All the teams in the district participate and the weaker teams are eliminated by a combination of losses.

The idea is to show the students knowledge, but the main thing is to have fun while doing so.

Trophies are awarded to the top best teams, and certificates of participation are awarded to each participant.

On every Monday in the month of February, a meet is held, leading to the big tournament in March, which everyone is looking forward to being the best academically.

Jr. Masquers

Jr. Masquers is an organization which puts on fund raising activities such as plays, Rock Show and The Slave Sale.

The fall play "Cry of the Banshee" raised over \$400.00. During the lunch hour the Rock Show and Slave Sale were put on. In the Rock Show students got to act out their favorite singers. At the Slave Sale girls were sold to the Highest bidder. They had to do what buyers said for a day. Both productions together raised over \$700.00.

Future execs

FBLA (Future Business Leaders of America) was raising money selling candy, all year, so they could go to the State Conference in April to compete in different business events. Their coach **Mrs. Cornfield**, who took the place of **Mrs. Wall**, who was on maternity leave, did a fine job with this group of young business executives.

Sparks debates the question

Our debating team did very well this year. We had one girl, **Heather McClure**, win a trophy at the Hawthorne Tournament, and **Robert June** took second place in the Wooster Tournament with the help of their coach, **Mr. Crippen**. It takes a smart person who is not afraid to speak in front of people to be on the team.

Our Block "S" unites as one

Block "S" is a group of guys that have a varsity letter from participating in a sport.

Together as a team, they brought us some of our homecoming activities. They provided the escorts for the homecoming candidates.

Using their fund-raisers such as the slave sale, the dance after football season, and the kiss the pig contest, they bought the homecoming queens' crowns and jackets.

Mr. Olivero and Mr. Peruda have been the Block "S" advisors for the past eight years.

Mr. Olivero said that, "Although the students went at their own pace and participated in only the activities they were interested in, the club gradually grew smaller."

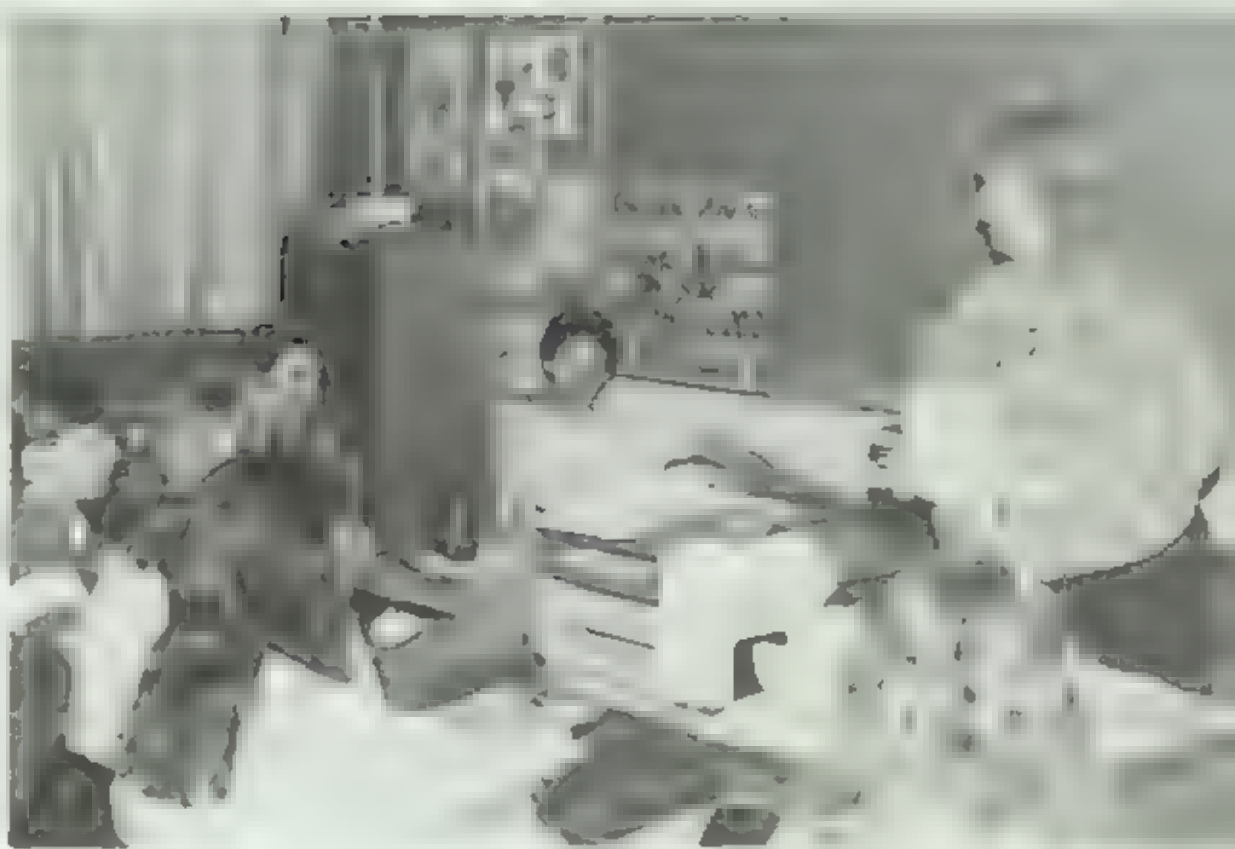

Even so, without Block "S," a part of Sparks High's spirit would be lost.

Lit. mag. reaches ultimate zone

This year's literary magazine, *Ultimate Realities*, was staffed by all new people. First year advisor, **Mrs. Boyden**, let her students try new and innovative ideas to promote, create, and sell the magazine. Scholarship money, in excess of \$1,000.00 generated from profits, went to senior members of the staff.

Members donate time to NHS

The National Honor Society was made up of students who showed great potential in their academic work. Throughout the year, members devoted time to raising money for scholarships. They also donated time to preparing a painting to be given to the Sierra Health Care Center.

This year's fall National Honor Society was held on November 14, 1984, in the Little Theatre, bringing on fourteen new members. The ceremony consisted of the invocation, led by Julie Oppio, a speech by both the principal, Mr. Horan, and vice principal, Mr. Christensen, the induction of the newest members and finally a speech made by Cal Dunlap, former District Attorney.

Carrie Russell, Marci Devere, Michelle Hardie, Kris Gill, Heidi Hansen, Tony Turvey, Tom Miller, David Salina, Julie Oppio, Anna Martin, Kris Galleron, Jim Goslin, Charles Nemitz, Ron Rasmussen, Jason Geddes.

New members see the light

The National Honor Society was dedicated mainly to raising money for scholarships. It also donated a painting to the Sierra Health Care Center. During the latter part of the year they volunteered their services to the Food Bank by taking inventory. They also held an election to determine new officers for next year. As in the past, they too, had an induction ceremony, where 26 new members were inducted into the National Honor Society. Mrs. Deborah Agosti was the guest speaker. She spoke about the future and what could be done with it.

German Club hits Germany

This year's German Club has been busy raising money for their trip to Germany. While talking to **Mr. Norris** (German Club advisor) he said they would be visiting both East and West Germany.

For fund raising they have done everything from washing cars to selling candy. Some have even got sponsors.

With this great effort, **Mr. Norris** was sure that all would be able to make enough money for the trip.

Spanish Club visits the world

This year's Spanish Club took quite a trip. They visited cities throughout Europe. The students all raised their own money, with a little help from selling candy at school.

Some of the cities they visited were London, Paris, Madrid, and Torremolinos. There was also an option for each student to go to Tangiers and/or Northern Africa.

They were gone a total of twelve days. They started their trip in San Francisco

where they boarded British Airways. Their 747 landed in London, where the fun began. On the fourth day of the trip, they left for Paris. They stayed two days

there, and then it was off to Madrid by train. While in Madrid, they visited many of the sights the city had to offer. After that, it was off again to Torremolinos, where they spent time on the beach and sight seeing. It was then back to the U.S.A. with their memories and letters.

Band hits high note

The Sparks High School Band has increased its members this year, as the program has grown.

Students are involved in school concerts, district wide concerts, and marching band competition. They did very well in District Honor Band competition, placing sixth. There are

outstanding musicians in the band.

New Additions Add Volume

This year in Chorus more boys have gotten involved, adding volume to their sound. Added with previous members, this has made our Chorus quite good, as they showed us with four Superiors and five Excellents awarded in Solo Ensemble Festival. They combined many of their concerts with other schools including Reno High School and McQueen High School. This is Mrs. Nannie Gardener's first year with Sparks High, and she feels our school has a lot of talent. She is well on her way to building a stronger chorus for Sparks High School.

Life is not to be judged, but a

Barbara Canady
Retired 1985

A sample of SHS

As editors of the 1985 *Terminus*, we would like to share our appreciation with everyone who has contributed in making this year's edition a "successful" one. First of all, we would like to say goodbye to **Mrs. Barbara Canady**, who retired during the '85 year, for all that she put into Sparks High. We will all truly miss her. To **Josten's** and **Mr. Scantlebury** who had patience when it came to meeting our deadlines. **Mr. Furman**, our trusty adviser, who put up with all of us who found it hard, but kept pushing. To **Ross Photo**, for helping get the pictures developed fast enough so it would

be possible to meet our deadlines. To **Mr. Tedrowe**, who donated pictures of the Fashion Show to the class. To the staff, you guys did great, you made the class very enjoyable, thank. To **Cherie**, just think, next year you won't have to write on the wall! Finally, to the class of '85. We've given you a memory, now it's time to give yourself one. Good luck!

"0088"

Sincerely,

Sandy Grupeznski

The new generation

Rob is finally
well this year, finally
over with, we've met
through a lot of good times
and some bad and you've
been there for both, thank
I really hope you have a
great summer, keep in touch!
